OPERABLE UNIT NO 1 REVIEW MEETINGS WSB 284 93

In order to provide agency input and feedback on the revisions to the Operable Unit No 1 (OU1) Remedial Investigation (RI) report several meetings are necessary Below is a schedule of meetings with subject matters that are necessary for the RI revision effort to proceed smoothly To meet the November 15 submittal date to agencies and include the required Department of Energy review times and document production times the RI report must be completed by August 16 This means the meetings scheduled cannot be postponed time is of the essence EG&G requests that you prioritize attendance at these meetings As well please forward these schedules to the Environmental Protection Agency and the Colorado Department of Health and stress the importance of their input at these meetings as well All parties must work closely together for the next few months if an OU1 RI report is to be produced on which all parties concur

The table outlining the meetings is on page 2
